

Get above ground from metro and should be on Kiyosumi Dori. Should be left turn out of station to go this way

walk past these straight out of station

Should cross over road at first intersection and cross to other side too - here:

Shld be going down here this way:

One block then right down here

Entrance on left down here

Total 3 mins walk.

Garden info says to take exit A3 - if see it do it - it is close to gardens. Then need to cross road and go a little south.
